**ORDER**

**Adopted: April 13, 2005**

**Released: April 13, 2005**

By the Telecommunications Access Policy Division, Wireline Competition Bureau:

1. The Telecommunications Access Policy Division (TAPD) has under consideration a Request for Waiver filed by Worth School District 127, Worth, Illinois (Worth School District).<sup>1</sup> The Request for Waiver seeks waiver of the Funding Year 2005 FCC Form 471 filing window deadline for the schools and libraries universal service program. Consistent with precedent, we deny the Request for Waiver.

2. In the Request for Waiver, Worth School District seeks permission to submit its FCC Form 471 application after the close of the filing window and requests a waiver of the filing window deadline.<sup>2</sup> Waiver is appropriate only if special circumstances warrant a deviation from the general rule, and such deviation would better serve the public interest than strict adherence to the rule.<sup>3</sup>

3. We find that Worth School District has not demonstrated special circumstances to warrant waiver. The Commission has strictly and consistently enforced filing deadlines, allowing waivers of deadlines only in very limited and compelling situations.<sup>4</sup> In light of the large number of applications

that the Schools and Libraries Division (SLD) of USAC reviews and processes each year, it is administratively necessary to place on the applicant the responsibility of complying with all relevant rules and procedures, including filing deadlines.<sup>5</sup> In keeping with our prior decisions, we determine that Worth School District has not demonstrated the special circumstances necessary for a waiver of our rules.

4. ACCORDINGLY, IT IS ORDERED, pursuant to authority delegated under sections 0.91, 0.291, 1.3, and 54.722(a) of the Commission's rules, 47 C.F.R. §§ 0.91, 0.291, 1.3, and 54.722(a), that the Requests for Waiver filed by Worth School District 127, Worth, Illinois, on February 24, 2005, IS DENIED.
